

*An Abstract of the CHARTER Granted by His late Majesty, King CHARLES the Second,
(of ever Blessed Memory) for Erecting a CORPORATION for Relief of poor Widows
and Children of CLERGYMEN: Dated July 1. 1678.*

HIS late MAJESTY having taken notice, That divers Charitable Persons had appeared very forward in Contributing to the Relief of such of the Widows and Children of *Loyal and Orthodox Clergy-men* as were poor, and of the Good Effect the same had; and taking into His Princely Consideration the Great Sufferings of many of the Clergy in *England* for their Loyalty: was Graciously Pleas'd by His CHARTER under the Great Seal of *England*, to Ordain, Constitute and Grant, That the Persons therein named, and their Successors, (to be Elected as is therein expressed) Be one Body Politick and Corporate, by the Name of, *The Governours of the Charity for Relief of poor Widows and Children of Clergy-men*: And that by the same Name they should have perpetual Succession, and be capable to Purchase, have or take Mannors, Lands and Hereditaments, &c. not exceeding the Yearly value of Two thousand Pounds; and all manner of Goods and Chattels, and to dispose thereof: And by that Name to Plead and to be Impleaded in all Actions, &c. And to act all other Matters and Things, as fully as any other Body Politick in this Realm can do: And that the said Governours should have one Common Seal.

And His said late Majesty did further Grant to the said Governours, That there should be a President, a Vice-President, three Treasurers, and Forty two Assistants, Members of the said Corporation, and that, they or any Five of them (whereof the President, Vice-President, or one of the Treasurers to be one) should be called *The Court of Assistants* of the said Corporation, who should have the Management of all the Affairs of the said Corporation, and should make Laws and Ordinances for the good Government thereof, as well in Matters concerning the Corporation, as in Electing of Officers, and management of their Revenues; and Impose Penalties on Offenders against the said Laws, and recover the same to the Use of the said Corporation.

And therein it is appointed, That the Persons thereby Constituted, to be the first, President, Vice-President, Treasurers and first Assistants, should continue in their respective Places until the Second Thursday in November, 1679. And from thenceforth, until there should be a new Choice made of Persons to succeed them.

And that on every Second Thursday in November for ever (or oftner if there be occasion) there should be a General Assembly of the said Governours: And the major part of the Members then present might choose a President, Vice-President, Three Treasurers, and Forty two Assistants, who should continue for the Year following; And that in case of the Death of any of the said Officers within the Year, others might be chosen at a General Assembly into their Places.

And that such General Assembly might Elect such other Person or Persons to be Members and Governours of the said Corporation, as they, or the greater part of them should think fit.

Provided, That the President, Vice-President, and Treasurers above-named, should, before they enter upon their Places, take their Oaths before the Lord Chancellor, faithfully to execute their respective Trusts: And that all other the Members of the said Corporation before they act as Assistants, and all succeeding Presidents, Vice-Presidents, Treasurers, Assistants, and all other their inferiour Officers should take the like Oath before the Persons by the said CHARTER empower'd to Administer the same.

And that the Lord Archbishop of Canterbury, Lord High Chancellor of *England*, Lord Archbishop of York, or Lord Keeper of the Great Seal of *England*, Lord High Treasurer, Lord Bishop of London, Lord Treasurer, and the Lord Mayor of London for the time being, should be Visitors of the said Corporation, and settle all Differences about the Government thereof, and touching the Disposition of their Revenues.

The Names of the present GOVERNOURS, being all Sons of CLERGY-MEN many of which are named in the said Charter, and the rest since chosen Governours, as other Persons of Worth will be as they come to be known.

[Note, against whose Names there is a *, are Members of the present Court of Assistants, chosen and agreed upon on Thursday, November the Tenth, 1687. for the Year ensuing.]

The better to Promote this Pious Work, it was thought fit hereby to Publish this Great Favour of His late Majesty, and to set down the Forms of Subscriptions; and also how any Legacy in Money, or Houses and Land may be given by Will to the said Corporation.

I do promise to pay to the Governours of the Charity, for Relief of poor Widows, and Children of Clergy-Men, the Sum of _____ Sterling, on or before the _____

Witness my Hand

I do promise to pay to the Governours of the Charity, for Relief of poor Widows, and Children of Clergy-Men, the Sum of _____ Sterling, at the two usual Feast Days of the Annunciation of the Blessed Virgin Mary, and St. Michael the Arch-angel, by equal Portions during _____
 The First Payment to be made at the next of the Feast Days above-mentioned, that shall happen after the Date hereof. Witness my Hand

This may be Inserted among LEGACIES in a WILL.

I Tem, I give and bequeath unto the Governours of the Charity, for Relief of poor Widows, and Children of Clergy-Men, the Sum of _____ Pounds, to be paid to one of the Treasurers.

For Devising HOUSES or LANDS.

I Tem, I give and devise unto the Governours of the Charity, for Relief of poor Widows, and Children of Clergy-Men, and their Successors for ever, all that my Messuage _____ and Lands _____ Situate and being in _____

It is thought requisite to give notice, That the Governours of this Charity (by the Assistance of many worthy persons, who have bountifully contributed thereto, and whose Names are Registered, as Benefactors:) Have not only made some Purchases as a Yearly Fond; but also distributed within the last Four Years, amongst poor Widows, and Children of Clergy-Men, near One thousand three hundred Pounds, (besides what hath been Collected at the Annual Feast; which according to Custom, hath been distributed to the same Uses by the Stewards:) But the Number of Widows and Children who did partake of the same, was so great, that each persons share was very inconsiderable; there having been Relieved this Year Fifty poor Widows of Sequestred Ministers, and One hundred thirty three poor Widows of other Ministers, and several Children; and more Children would have been Relieved, but that Money could not be spared from the importunate Necessities of the Widows: And this Charity being now publicly known, more poor Widows and Children do daily in great Number, apply themselves for Relief; to whose Wants, this Corporation is not yet enabled to make any proportionable Supply. To the End therefore, that the present Poor may have some comfortable Relief, and that some further Purchase may be made and settled, for encrease of this Fond for Posterity. It is hoped that considerable Contributions will be made in all Parts of this Kingdom; Particularly, that such Governours and Clergy-Men, as have not already Contributed, would encourage this Charity by Subscription, or otherwise: Such a certain Method and Security being Established for the due Administration of the same; so that nothing can be diverted to any other Use.

Robert Chapman, Gent. in Knight-Rider-Street, near Doctors Commons, London.

All Persons who have already Subscribed, and such as shall please to give any present Sum, or Annual Benefaction, are intreated to pay the same to the present TREASURERS.

Sir William Gregory, Kt. Serjeant at Law, at Serjeants-Inn in Chancery-Lane.

William Sedgwick, Merchant, in Crutched-Fryers, London.

Or either of them, or the succeeding Treasurers, or to any Person Deputed under the Hand and Seal of any of them.

And all Persons who have Collected any Money for the said Corporation, are desired to pay the same to the said Treasurers, or One of them, or to give an Account thereof to Mr. Thomas Tyllot, the Register of the Corporation, at Doctors Commons, London, to whom all Persons who shall please to promote this Charity, or have any thing to Communicate concerning the same, may direct Letters as occasion shall require.

THOMAS TYLLOT, Register.
